Includes 4g Added Sugars	8%
Protein 1g	
Vitamin D 0mcg	0%
Calcium 10mg	0%
Iron 0.6mg	4%
Potassium 50mg	2%
*The % Daily Value tells you how much a nutrient in a serving of food contributes to a daily diet. 2,000 calories a day is used for general nutrition advice.	

Notes

Reference Lab ID # 402392452

Serving size was provided by the Client. Net weight was not provided, therefore, Client must fill in the servings per container.

Rounding rules for Vitamin D, Potassium, Calcium and Iron follow the FDA Guidance Document. Added Sugars is not a tested value. There are no analytical methods to determine added sugars. The Added Sugar value reported here is based solely upon documents (i.e. specification sheets and recipes) provided by the Client. This Total Dietary Fiber measurement may include polysaccharides not currently recognized as Dietary Fiber by FDA. Client must review their formulas for any fibers not recognized as Dietary Fiber, and may need to consult with their fiber manufacturers to determine the regulatory status of their fiber.

Nutrition Facts are provided to show analytical data calculated on a per serving-basis for information only. This copy must not be considered a label ready or legally compliant format. Results reported herein are provided 'as is' and are based solely upon samples as provided by the Client. There has been no verification or review of this information to support nutrient content claims or the addition of other ingredients that may trigger mandatory declaration of these nutrients on the Nutrition Facts Panel. All nutrient values are rounded in accordance with what is currently written in CFR 101.9. This report may not be distributed or reproduced except in full. Client shall not at any time misrepresent the content of this report. Merieux NutriSciences assumes no responsibility, and Client hereby waives all claims against Merieux NutriSciences, for interpretation of such results. Except as otherwise stated, the Silliker, Inc, Terms and Conditions for Testing Services apply.
