

930647 - MCCORMICK CULINARY GREEN FOOD COLOR 1 PT

McCormick Culinary® Green Food Color adds celebratory color to a variety of recipes:

- McCormick Culinary Green Food Color offers a deep, vivid green color.
- Crafted especially for chefs, McCormick Culinary Green Food Color is tasteless and stays consistently green between and during each use for optimal performance and broad usage.
- McCormick Culinary Green Food Color is kosher, gluten free and made with no MSG added.
- There are 6/16 oz. plastic bottles per case. Our 16 oz. size is perfect for dispensing individual drops of color at a time, and the flip top can easily be unscrewed to add larger amounts to any bulk recipe.
- McCormick Culinary Green Food Color delivers deep color to fondant and icings and is great for Earth Day or St. Patrick's Day themed bakery and beverages.
- McCormick Culinary Green Food Color adds a decorative touch to cakes and sweet indulgences and can be easily mixed with other McCormick Culinary food coloring flavors to create signature colors.

Brand: McCormick®

Preparation and Cooking

No preparation necessary. McCormick Culinary® Green Food Color is ready to use for adding festive color to a variety of sweet indulgences, cocktails and non-alcoholic beverages. The convenient flip top closure allows you to dispense drops of color at a time until desired hue is achieved or can be easily unscrewed to add larger amount of color to any bulk recipe.

Serving Suggestions

McCormick Culinary® Green Food Color adds festive color to:

- In ice-cold mugs of green beer as the beverage of choice on St. Patrick's day
- Fondant for use in covering cakes and shaped into four leaf clovers, stems and trees
- Iced sugar cookies
- Green velvet cupcakes
- Shamrock shakes

Packaging and Storage

McCormick Culinary® Green Food Color stored tightly closed in a cool, dry place. Avoid exposure to heat, humidity, direct sunlight and fluorescent light to maintain flavor and color.
