Notice of Allergen Introduction onto Processing Line

Dear Valued Customer,

We are writing to inform you of a forthcoming update to the production process for items produced on one of our cook stations. We are committed to providing you with safe and high-quality products, and as such, we are continuously evaluating and improving our manufacturing practices.

Effective August 1st 2024, an **egg** allergen will be introduced to a processing line that also produces the following items.

1. 103 Chocolate Syrup

While we are implementing strict procedures to minimize the risk of cross-contamination, we want to ensure you have the most up-to-date information regarding potential allergens.

We understand that allergen information is crucial for some consumers, and we apologize for any inconvenience this update may cause.

Should you have any questions or require further clarification, please do not hesitate to contact our Customer Service team at 580.580.1700 x319, mrogers@concordfoods.com, or our Quality team at 508.580.1700 x330, jallen@concordfoods.com. We are always happy to assist you.

Thank you for your continued loyalty and understanding.

Sincerely,

Concord Foods, LLC
