

A liquid dairy replacement
that meets **dietary preferences,**
restrictions and **sensitivities.**

Plant Based Cooking Creme

The future is
plant based.

Tastes and Performs Better Than Dairy

Plant Based Cooking Creme
outperforms dairy in taste and
performance. It won't split or
scorch and has a longer shelf
life and price stability.

Better for You

Versus heavy cream,
Plant Based Cooking
Creme contains:

- **12%** less calories
- **30%** reduced total fat
- **89%** reduced saturated fat
- **100%** reduced trans fat
- **100%** reduced cholesterol

Vegan

Does not contain the Big
8 Allergens and is Vegan,
Kosher-Parve and Halal.
This makes Plant Based
Cooking Creme perfect for
Vegetarians, Flexitarians
and Everyone!

**Culinary
Solutions**
