

2 Cup Drink Carrier

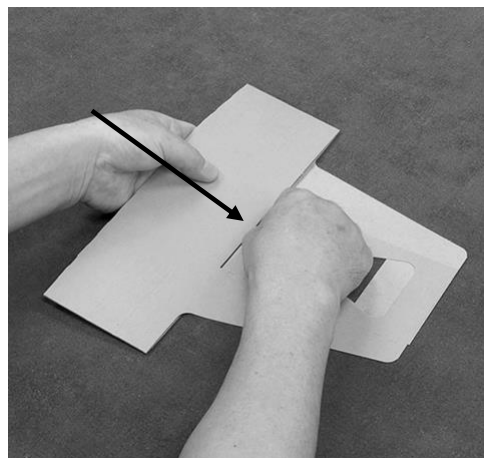

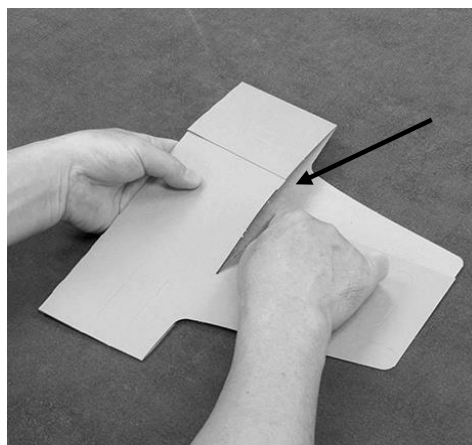

Assembly Instructions

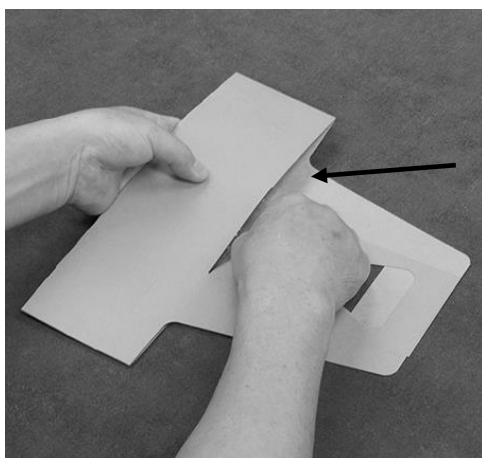

STEP 1: Lay drink carrier flat on sturdy surface.

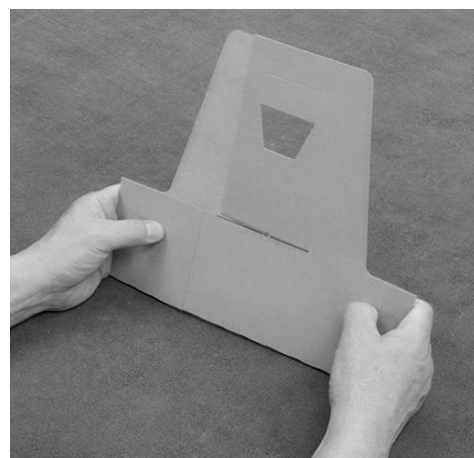

STEP 2: Place thumb firmly along perforations. Place other hand into the bottom of drink carrier and carefully pull up to tear along perforations as shown.

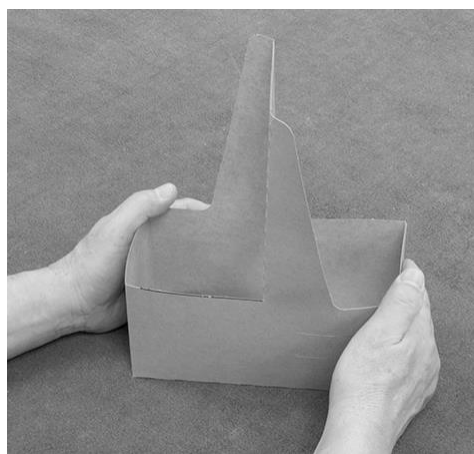

STEP 3: Turn drink carrier over to other side.

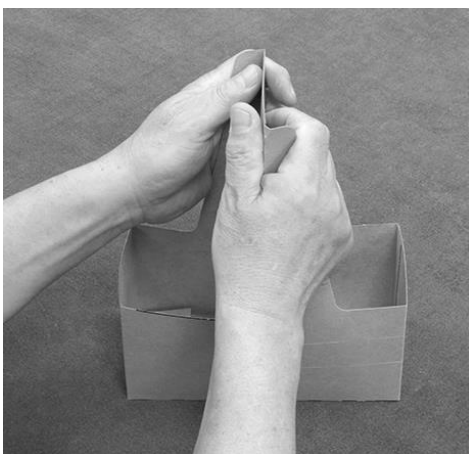

STEP 4: Repeat Step 2

STEP 5: Push in sides of drink carrier to pop open carrier as shown.

STEP 6: Sit drink carrier on flat surface.

STEP 7: Fold handle edges inward at perforations.
