Assembly Instructions

- Align the two L-brackets (A) with the back of the table and pre-drill holes through the side of the tabletop for screws.
Note: L-bracket screw holes are 3 mm OD. Use M3 self-tapping screws to secure L-brackets to table.
- Slide the midshelf (D) into place and secure it using the set screws.

- Secure the four legs (B) to the L-brackets using the Allen wrench and set screws (C) provided.

- Add the overshelf top (E) and secure the legs into the gussets with the set screws. You may need to loosen a set screw if one struggles to go in.
