

Same Great Product. New Environmentally Friendly Packaging.

Why the Change?

Sustainability

- Lower carbon footprint than plastic bottles
- Resource efficient
- BPA Free

Flavor & Quality

- Blocks light and oxygen
- Keeps ingredients tasting fresh & bright
- Improved shelf life

Ease of Use

- Easier to open, store & pour
- Ability to make smaller batches—ideal topping up a slush machine or use in a blender.

Simple Recipe Swap.

Our new 32 oz carton is half the size of the old 64 oz bottle.

- **3 Gallon Batch:** use 2 of our new 32oz bottles of mix (the same as our old recipe)
- **1.5 Gallon Batch:** use 1 of our new 32oz bottles of mix (this is half the yield of our old batches)
- **Note:** Blender Recipes remain the same
