The Eccotemp 7.0 GPM Outdoor Liquid Propane Tankless Water Heater (7GB-LP) is the largest capacity model in the Builder Series. ETL approved and rated at an impressive 7 GPM with a temperature rise of 45 degrees. This tankless water heater is rated at 180,000 BTU and can produce unlimited hot water for 4-5 applications simultaneously. Eccotemp's advanced 0.79 GPM low flow ignition technology allows users to enjoy endless hot water without experiencing cold spots.

We recommend the 7.0 GPM Outdoor Liquid Propane Tankless Water Heater (7GB-LP) for large, medium, small size single family homes, townhomes, condos, cabins, as well as smaller commercial applications and home builders. With our upgraded product control board performance and an all-new gas modulating valve, consumers can experience best in class temperature performance that is budget friendly.
