RICO SOFRITO'S & RECAITO'S

Rico Foods Sofritos & Recaitos are sautéing sauces used in Spanish cooking where the primary ingredients are green peppers, onions, garlic, cilantro, and coriander. Sofrito was often made at the moment of use by placing the ingredients in a mortar and pestle and grinding the paste prior to cooking. The best method for modern times is using Rico Sofrito & Recaito. Sofrito is used in making rice, beans, stewed or pot-roasted meats. Two key ingredients that make sofrito more than just a pepper and onion base are the sweet chili peppers and the herbs that are added.
