

Choose the right HP Laminator for your home and business

HP laminators are fast, convenient and easy-to-use laminators designed to meet the needs of home, school & office environments. With a quick laminating speed of 24" per minute, our laminators are capable of accommodating documents up to 12" wide using 3 mil - 5 mil pouches. Quick warm-up times, from as little as 1 minute, HP laminators feature an auto sleep mode that activates after 60 minutes. Its ease of use and high quality of lamination makes it great for everyday laminating of photos, recipe cards, flash cards, menus, frequently used documents and much more.
