Mightylite™

Insulated Food Carriers

Ultra light, super-strong insulated food carriers that easily hold & transport virtually everything for 5+ hours! Why settle for heavier carriers, or coolers that aren't designed for professional use. Choose the multi-purpose food carrier!

Holds the most.

Pans, containers, plated meals...

Load them up with virtually anything! **ML180XL with BigBoy lid holds more pans, provides clearance to store taller items, and also doubles as a server!**

63%
More Storage.

ML180XL ▶

ML180 ▶

Flat lid model provides traditional capacity and same lightweight design.

Easiest to move.

Ergonomic design

Ultra light with 4 convenient handles, facilitates lifting, carrying, and moving in any situation.

Stacks securely

Top-loaders stack perfectly with front-loaders, allowing you to transport all your food and beverages in one efficient and secure stack.

**2
YEAR**

WARRANTY

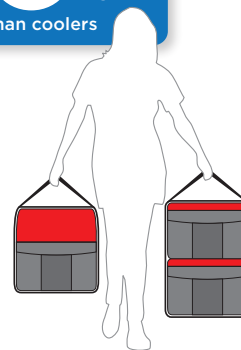

Advanced polymer construction (EPP)

The unbelievable strength-to-weight ratio and ability to absorb impact make Mightylite carriers perfect for lifting and withstanding the rigors of off-site food transport!

80%
Lighter
than traditional top-loaders

60%
Lighter
than coolers

Grab the carrying strap accessory for one-handed or two-person carrying!

We put space to work.
