

Le Frappé de
MONIN®

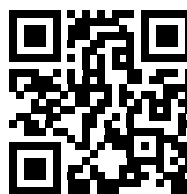

It's All About the Base

It's time to blend a better beverage with **Monin Neutral Beverage Base**. This revolutionary, flavorless liquid base allows frozen beverages to hold longer, without separating, while providing a consistently smooth texture. From frozen lattes and milkshakes to frozen cocktails, Monin Neutral Beverage Base works in a variety of frozen applications and is a simple way to deliver an improved, more consistent beverage experience.

- Allows frozen beverages to last 3-4 times longer without separating*
- Creates a smooth, thick consistency, even when blended with dairy alternatives like almond and coconut milk
- Versatile – can be used with any frozen beverage from coffees to cocktails
- Does not change the original drink/recipe flavor
- Avoid the hassle and mess of frappé powders
