## *What Makes Us Original.....*

We set the industry standard for boiled bagels

### *Protecting the Goods*

We're the only wholesale bagel bakery to use "STAY FRESH" packaging.

This unique preserves freshness, eliminates denting and prevents freezer burn.

### *Enhanced Flavor Profile*

All of our bagels are kettle boiled, hearth baked and feature unparalleled seeding.

Our extended retarding process maximizes natural flavor.

### *Food Service: Par-baked Freezer to Oven or Thaw & Serve*

Hearth par-baked Original Bagels are now 95 percent complete so you may choose to bake them freezer-to-oven for that perfect fresh-baked flavor without the lengthy preparation and time. You may also simply thaw and serve.

75 ct (5 Stay-Fresh packs of 15 bagels each)

45 ct (3 Stay-Fresh packs of 15 bagels each)

### *Retail: It's in the bag*

Choose clear plastic bags or Original Bagel branded bags (pre-sliced available)

### *Private Labeling*

Make Original Bagels your own bagel by taking advantage of our private labeling capabilities.

Keep customers coming back for more without having to build your own scratch bagel kitchen.

### *Mini Size, Major Appeal*

Mini bagels are available pre-sliced in plain and whole wheat.

### *Ensuring your Bottom Line*

We box by COUNT (a pillow pack is 15 bagels), ensuring you get what you pay for!

Original Bagels have a full 24 hour shelf life when baked, and much longer when bagged.
