

The ReliaGuard®

Food Service Gas Connector

For use with caster-mounted commercial gas equipment

Get a high-quality gas connector solution at a competitive price with ReliaGuard. From the trusted Dormont brand, ReliaGuard is a commercial, moveable-grade gas connector designed for use with moveable equipment for ease of cleaning and repair. Its braided, gray PVC-coated stainless steel tubing is flexible, durable, and corrosion resistant, making it the perfect solution to every commercial kitchen's needs.
