

Cocktail Confetti

The Ultimate Rimmer for Your Drinks!

Snowy River cocktail confetti adds a whole new level of glitz and glam to your cocktails. Naturally colored with all-natural fruit and veg and made right here in the US, our cocktail confetti is designed to decorate the rim of cocktail glasses, be sprinkled on the top of foam-based drinks, or used as an eye catchy decorative.

Importantly, Snowy River cocktail confetti tastes great, has no synthetics or preservatives, is Kosher certified, and looks amazing on a wide range of applications from cocktail decorating to cakes, cupcakes, party snacks, desserts and more.

Our goal is to empower bartenders and mixologists of all levels to do what they love more effectively and naturally using Snowy River Cocktail products. To this end, we know you will just love our all-natural cocktail confetti. If its Snowy River, you know its natural and freshly manufactured in the USA.

Snowy River cocktail confetti is available for wholesale, bulk, and private label sale. We also love creating custom blends for special events, corporate functions or to meet the needs of our wholesale and corporate accounts.

Snowy River Cocktails is a Washington-based manufacturer of all-natural cocktail decorating products. From our large range of cocktail sugar and salt glass rimmers, to our super popular cocktail glitters and flavors, we are 100% focused on our quality, being natural, and our range of cocktail decorating options.
