Meet the newest outdoor line addition, Willow.

Willow's UV, rust, all-weather resistant e-coated finish provides maximum climate performance. Its 17-gauge steel frame offers excellent rigidity for strong, durable, long-term use. Engineered with thoughtful design and construction, Willow is light weight yet sturdy. Its deeper seat, taller back, and curved armrests cradle you for comfort. The mesh seat and back provide supreme breathability, dry time, and easy clean-up. Whether residential or commercial, Willow is sure to please.
