Woeber's Food Service Specialty Mustards, Horseradish, and Sauces

HORSERADISH MUSTARD

Fresh ground horseradish is added to a whole grain base and is stone ground for an exciting balance of flavor. The grainy texture and robust taste of this old-fashioned mustard really holds its own with corned beef and cabbage, sausage and cold cuts.

SUPERIOR MUSTARD

This is truly a Woeber's original. Dating back to the 1800s, it's our oldest recipe and still an art form when it comes to mustard production. It's made from the highest quality ingredients including the finest mustard seeds and is double-stone milled to create its pungent flavor. Superior Mustard lives up to its name.

HOT & SPICY MUSTARD

This mustard will wake up your taste buds! Only the #1 select mustard seed is used, along with fresh horseradish, peppers and special spices. Its rich, spicy flavor beefs up your enjoyment of broiled meats, poultry and cheeses. It's also popular for use in salad dressing recipes.

SALAD STYLE MUSTARD

This true, bright yellow, American mustard goes on over nine billion hot dogs and countless numbers of hamburgers every year. It's made from the select yellow mustard seed, blended with vinegar and spices. Fresh turmeric gives it the vibrant golden yellow. It's one of the world's most popular condiments.

SWEET & SPICY MUSTARD

This mustard is unique! Only the #1 select mustard seed is stone ground and blended with special spices to make it deliciously sweet. It goes great with meats and cold cuts, and is used often in cooking recipes.

HONEY MUSTARD

This is the versatile mustard with the golden taste. It's a blend of real clover honey, pure cane sugar, spices and cooked to perfection. Some say it's the best honey mustard on the market. It enhances the flavors of most meats, poultry and fish.

DIJON MUSTARD

This is a unique, complex mustard. It's creamy and delicate, yet strong. It's pungent and spicy. Made with all natural ingredients and white wine, its versatility ranges from the seasoning of grilled meats and cold cuts to stews and salads. It's also a chef's staple when making vinaigrettes and delicate sauces.

SPICY BROWN MUSTARD

This American mustard was created as a spicy alternative to yellow mustard. It's made from #1 yellow and brown mustard seeds, and is spicier, more coarse and less vibrant in color. It's very popular on sandwiches and sausages.

DUSSELDORF MUSTARD

This unique blend of premium yellow and brown seeds is finely ground to create a robust flavor. Great on bratwurst, meats and hot dogs.

HORSERADISH SAUCE

This is our signature! Its zesty taste has been created from freshly ground horseradish blended with special spices into a creamy base. Its smooth texture counters its hot, lively taste to make it the perfect sandwich spread. Our horseradish sauce also enhances marinades, salad dressings and dip recipes.

TARTAR SAUCE

This Woeber family recipe includes fresh mayonnaise, seasonings and crisp, sweet pickle. It's smooth, creamy and sweet. Fish and other seafood never had it so good.

PURE HORSERADISH

We grind it to order, using only select, premium horseradish roots. This powerful, fresh flavor is not only important as an ingredient for a variety of sauces and seasonings, it's great alone on roast beef.

SEAFOOD SAUCE

It's as fresh as your favorite seafood. Made with our own ground horseradish and special ingredients, many have said it's far superior to their own homemade seafood sauce.

CHOPPED GARLIC

Made fresh to order and available packed in oil or water to Woeber's usual standard of high quality.
