CASTERS

Each set of Regency casters lets you turn any work table or equipment stand with 4 or 6 standard legs into a mobile work station. With a total weight capacity of 1200 to 1600 lb., these wheels can stand the toughest of tests and are sure to meet your needs. Take your table or equipment on the go and then keep it secure with the flip of a lever, conveniently placed at foot level for easy locking and unlocking.

BULLET FEET

Make sure your table, compartment sink, or dishtable is level and stable by replacing a missing or broken bullet foot with these Regency Bullet Feet! They are designed to fit equipment with 15/8" outer diameter legs and are adjustable so they can accommodate uneven floors.

FLANGED FEET

If you need to bolt your Regency equipment to the floor for added stability during use, this flanged 3¼" seismic foot is the perfect solution! It is designed to swap out easily for an existing foot on Regency products with legs that measure 15/8" in outer diameter. Feet like these are typically used to comply with local codes, which require you to secure equipment to the floor, and in situations where keeping your equipment immobile could be useful, like on a food truck.

UNDERSHELVES

Add extra storage space and organization to your kitchen with a Regency adjustable stainless steel work table undershelf! Undershelves provide additional storage for frequently used items like prep tools, cutting boards, bar towels, oven mitts, pans, and trays. These undershelves are adjustable, so you can move them higher or lower to accommodate items of varying sizes. Made of 18 gauge, type 430 stainless steel, Regency undershelves ensure maximum durability and corrosion resistance, and are easy to clean and sanitize.

STAINLESS STEEL ADJUSTABLE WORK SURFACE

Optimize your work area by attaching this removable work surface to your equipment stand. It provides a convenient surface for placing ingredients and assembling sides, adding versatility and optimizing space-efficiency in your kitchen.

STAINLESS STEEL PLATE SHELF

Increase the usable storage space in your kitchen by mounting this plate shelf to your equipment stand. With a built-in backsplash it provides a convenient space to store plates, utensils and other items without worrying about messy spills.

WOODEN ADJUSTABLE CUTTING BOARD

Add an adjustable work surface to your equipment stand that provides extra space to prep produce and assemble dishes. The durable and thick hardwood top cutting board is long-lasting and won't dull knives.
