

Model-Specific Compatibility Notes [11/10/2014]:

TBB-1: Replaces #840001. Used after 2/5/09. When replacing old style pan with new must also replace 2)860882 brackets.

GDM-14SL: Replaces #840001. Used after 1/25/09 approximate production date.

TR3F-6HS: Plastic drain pan. Replaces #810835.

TDD-1-S: Replaces #840001. Used after 2/5/09. When replacing old style pan with new must also replace 2)860882 brackets.

TR1F-2HS: Plastic drain pan. Replaces #810835.

TR1F-1S: Plastic drain pan. Replaces #810835.

TR3F-3S: Plastic drain pan. Replaces #810835.

TM-24FG: Used after ~3/4/07 (pcn #3596) replaces the 810835 glass pan previously used. Located below compressor on top of cabinet.

TR1RPT-1S-1S: Plastic drain pan. Replaces #810835.

TM-24: Used after ~3/4/07 (pcn #3596) replaces the 810835 glass pan previously used. Located below compressor on top of cabinet.

TM-24F-2: Used after ~3/4/07 (pcn #3596) replaces the 810835 glass pan previously used. Located below compressor on top of cabinet.

TM-24F: Used after ~3/4/07 (pcn #3596) replaces the 810835 glass pan previously used. Located below compressor on top of cabinet.

TM-24G-2: Used after ~3/4/07 (pcn #3596) replaces the 810835 glass pan previously used. Located below compressor on top of cabinet.

TM-24-2: Used after ~3/4/07 (pcn #3596) replaces the 810835 glass pan previously used. Located below compressor on top of cabinet.

TDD-1: Replaces #840001. Used after 2/5/09. When replacing old style pan with new must also replace 2)860882 brackets.

TBB-1-S: Replaces #840001. Used after 2/5/09. When replacing old style pan with new must also replace 2)860882 brackets.
