STEP 2 COLLECT USED CAPSULES

Choose a centralized location and a recycling champion to set goals and engage the team.

STEP 3 SEND CAPSULES BACK

IF USING A RECYCLING BAG:

Seal bag and ship to our third-party recycling partner with your company's regular UPS pickup or drop off at one of 88,000+ UPS collection points. **Shipping is on us!**

IF USING A LARGE BOX:

Once container is filled, create your pre-paid UPS shipping label at <https://row.ups.com>

Company Alias: Nespresso

Login ID: RecycleB2B

Password: recycle05

(Note: not a unique user profile)

Enter information as prompted and click "print label" — it will show up as a pop-up. Place on container and give package to UPS to ship to our third-party recycling partner.

When recycled, the aluminum in our capsules can have a second life as other amazing things.

The used coffee can become rich compost and high-quality topsoil.
