Regarding Cal-Mil Flat Bread Board material, the following can be done without voiding our current **6 months manufacturer's limited warranty**:

- Commercial dishwashing
- Using material as a cutting board
- Holding temperature up to 350 degrees for **no longer than 30 minute time frame**

Best regards,

A handwritten signature in blue ink, appearing to read "Josh Callahan". The signature is fluid and cursive, with a long horizontal stroke extending to the right.
