
LIMITED WARRANTY

All non-branded high-intensity and diamond grade parking signs, road signs, and street signs are covered under this Limited Warranty. The warranty runs from 7 years from the time of purchase for high-intensity and diamond grade units and is for the benefit of the original purchaser only. The seller reserves the sole right to determine whether or not claims for this warranty are valid and reasonable and whether or not they will be fulfilled.

For valid and reasonable claims determined by the seller that meet all criteria throughout this Limited Warranty, the seller will replace the product.

The items are hereby warranted against defects in materials and workmanship. This warranty is not effective if damage occurs due to accident, carelessness, improper installation, lack of proper set-up, supervision when required, modifications, acts of God, shipping damages, servicing, or operation in any manner contrary to standard installation practices. Normal wear and tear is not covered by this warranty. In addition, all work performed by unauthorized personnel or unauthorized service agencies voids this warranty. All other warranties, Expressed or Implied, Statutory or otherwise, including Without Limitation and any implied warranty of Merchantability or Fitness for Purposes are excluded. The seller shall in no event be liable for direct, indirect, or consequential damages in connection to the items.

This warranty explicitly does not apply to, and the seller is not responsible for, any warranty claims on the items sold or used outside the Contiguous United States.
