

45L semi-round sensor can- matte black steel

product features

adaptive motion sensor: Smart enough to adapt to you and the surrounding environment — no false triggers, no unexpected lid closures.

smooth, steady power: A planetary gear system creates high torque for smooth, consistent lid operation.

neat and easy: The outer lid lifts up for easy access to the liner — no need to remove the top of the bin or fumble with a bucket. When you're done, it closes over the liner to keep it neatly out of sight.

keep liners where you need them: Our liner pocket makes it easy to store a 20 pack of custom fit liners inside the bin so you never have to search for them.

dispenses liners inside the bin: Our liner pocket dispenses liners one by one quickly and easily for a faster liner change.

pod in, odors out: Now including our all-natural odorsorb pod that fits discreetly under the lid of your simplehuman can to eliminate trash odors for 45 days.
