Which Huskee receptacles are NSF: Standard 21 rated?
All bases and lids, except BackSaver.

Which Huskee receptacles are NSF: Standard 2 rated?
Grey and white bases & lids, except BackSaver.

Which Huskee receptacles are FDA and USDA approved?
All our Huskee receptacles, from 10 to 55 gallon (except SuperKan), are made of FDA compliant material. USDA requirements for material approval are satisfied by a certification of FDA compliance.

What temperature range can a Huskee withstand?
0 - 190° F for NSF rated items, 0 - 205° F for all other Huskee receptacles.

What material are Huskee receptacles made of? LLDPE

Can you store wine in a Huskee? We recommend against using a Huskee, or other plastic waste receptacles, for wine storage. During the fermenting process, the taste of plastic can pass into the wine.
