

Details For Model: TWL-2435

Steel Trailer Wheel Lock 24 In. x 35 In. For Use On Dual Tires Yellow

Truck trailer lock secures wheels in place, limiting the amount of movement that may occur after a trailer has been parked. With a straddle design, the lock fits around the wheel. Telescoping arms can be lengthened or shortened to best fit the situation and environment.

- For use on dual wheels
- Built in carrying handles
- Pre-drilled adjustment holes
- Keys included for securing pin placement during dimension modifications
