Tork Universal Hand Towel Roll

Tork Universal Hand Towel Roll satisfies those seeking to achieve green status for their facility and purchase toweling produced with methods less harmful to the environment. This roll towel is 100% recycled and contains a minimum of 50% post-consumer waste, which exceeds EPA guidelines. Controlled roll towels provide added value and benefits such as usage control and cost savings when combined with controlled roll towel dispensers. This quality roll towel is high-capacity and ideal for schools, universities, stadiums, and other high-traffic areas. 8 inch width, extended length for heavy traffic areas.

- Provides added value of waste reduction and cost savings
- Long-lasting rolls minimize maintenance costs while maximizing service.
