ALTUS CARAFES

Sleek and chic vacuum insulated carafe

The Altus Carafe is an exquisite beverage server with a slim and graceful design. It comes in three capacities, featuring a timeless brushed (BS) finish that harmonizes beautifully with any table setting. In the 1-liter size, you can choose from four captivating Metallic Elements finishes, including vintage gold (VG), rose gold (RG), dark tungsten (DT), and black onyx (BX). This carafe is stainless vacuum insulated to maintain the temperature of your coffee and other beverages for an impressive 4-6 hours. It is also NSF-listed for commercial use, ensuring its quality and suitability for professional settings.
