

MOHENJO DARO

The rustic yet sophisticated looking Mohenjo Daro Collection is an elegant tribute to the majestic Mohenjo Daro of the ancient Indus Valley civilisation. The golden splatter with hints of copper tones against the muted neutral background captivates the subtle richness of pre-historic creations. The collection is crafted with a wavy rim and rounded edges giving it an instant earthly look.

The abstract concentric patterns lend it an exquisite charm. The warm dish, when served in this timeless piece of art takes us back to a time when people gathered around and enjoyed good company by sharing meals. The traditional yet modern-looking Mohenjo Daro collection appeals to a minimalist yet trendy restaurateur.

Celebrate your unique style by adding this exceptional crockery design to your collection.
