### Certifications

## Notes & Details

This AvaMix 928PIBPPHD replacement power pack is designed specifically for use with select AvaMix IBHD heavy-duty immersion blenders (sold separately) if a replacement is needed. This unit includes a lock button for continuous, hands-free operation.

This power pack features a 1 1/4 hp motor that can blend products at up to 18,000 RPM with ease. It requires a 120V electrical connection for operation and comes with a long power cord that won't restrict your movement. This power pack allows you to replace a broken or worn out one and avoid having to buy a whole new immersion blender.

 **WARNING:** This product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to [www.p65warnings.ca.gov](http://www.p65warnings.ca.gov).
