Notes & Details

Designed for standard-duty use in your cafe or restaurant kitchen, the reliable Avantco MX10H gear-driven 10 qt. commercial planetary mixer makes it easy to mix ingredients for your specialized baked goods and desserts! Featuring a 100% gear-driven transmission, this mixer boasts a powerful 3/4 hp motor to make quick work of your kitchen tasks.

This mixer features easy-to-use push-button controls, and you can change the mixing speeds to low, medium, or high for maximum convenience and control. It also includes a 30 minute timer for optimal convenience. A black reset button is located on the left side of the mixer, just above the base. For added safety, this mixer will not operate when the bowl guard is opened or when the bowl is lowered. Unlike many other mixers, the included 10 qt. bowl and wire whip are made of 304 grade stainless to resist rust. Plus, the Avantco unit comes with a stainless steel guard, flat beater, and dough hook so you can start using your mixer the moment it arrives! This unit requires a 120V electrical connection for operation.
