Notes & Details

Perfect for light duty applications like concession stands and snack bars at local sporting events, town fairs, or even small public golf courses, this Avantco RG1830 roller grill is sure to entice hungry customers with the sight and aroma of plump, juicy hot dogs, sausages, and other tasty snacks! This grill holds up to 30 hot dogs and features two temperature control switches so you can keep product warm on one group of rollers while quickly cooking on another group of rollers.

The Avantco 30 hot dog roller grill is also a great addition to convenience stores and sandwich shops looking to add quick, grab-and-go items to the menu without breaking the bank, giving you a durable and efficient machine at an affordable price! The all stainless steel construction is supported by sturdy, non-skid feet and boasts a removable drip tray that makes cleaning a breeze. It requires a 120V electrical connection.
