Item #19490332

Technical Data

Type

Mechanical Parts
Water Supply
Components

Features

- Direct replacement for original part
- Compatible with Avantco Ice UC-H-210-A and UC-F-210-A undercounter ice machines

Notes & Details

This Avantco Ice 19490332 water trough is a direct replacement for the one that came with your Avantco Ice undercounter ice machine. This replacement part stores water within an ice maker, supplying the unit with the water it needs to make ice quickly and reliably. Use it to replace a worn or broken part to keep your unit operating efficiently. It's compatible with Avantco Ice UC-H-210-A and UC-F-210-A undercounter ice machines.
