Avantco Ice 19492915 Water Level / Temperature Sensor Cable for MC and KMC Series

Item #19492915

Technical Data

Type

Electronic Parts
Probes and Sensors

Features

- Direct replacement for original part
- Compatible with Avantco Ice MC and KMC series modular ice machines

Notes & Details

This Avantco Ice 19492915 water level / temperature sensor cable is a direct replacement for the one that came with your Avantco Ice modular ice machine. It is designed to detect both the level of water as well as its temperature. If this part is no longer working effectively, be sure to swap it out with an operational one. It's compatible with Avantco Ice MC and KMC series modular ice machines.
