## Avantco Ice 19494522 Pump Assembly for Select Undercounter Ice Machines

Item #19494522

### Technical Data

| Type | Pump Components |
|------|-----------------|
|------|-----------------|

### Features

- Draws in fresh water to be converted to ice
- Replaces the original pump assembly that came with ice machine
- Durable construction

### Notes & Details

This Avantco Ice Machines 19494522 pump assembly serves as a direct replacement for the one that comes with select modular ice machines. It is designed to pump fresh water into the machine so that it can be converted into ice. If this part is no longer functioning effectively, be sure to replace it with a working one.
