Avantco Ice 19495950 Inlet Valve for Undercounter Ice Machines

Item #19495950

Technical Data

Application	Ice Machines
Style	Water / Steam Valves
Type	Valve Parts

Features

- Direct replacement for original part
- For use with select undercounter ice machines
- Controls flow of incoming water

Notes & Details

This Avantco Ice 19495950 inlet valve is a perfect replacement for the one that came standard on select undercounter ice machines. It is a vital part of the water pump assembly and allows inlet water to flow in to the proper level for an ice making cycle, so be sure to fix a broken one promptly.
