Avantco Ice 19496226 Compressor for UC-160 and UC-120 Series Ice Machines

Item #19496226

Technical Data

Refrigerant Type	R-290
Type	Compressors

Features

- Direct replacement for original part
- Necessary system component
- Uses R290 refrigerant
- Includes starter components

Notes & Details

This Avantco Ice 19496226 compressor serves as a direct replacement for the one that came with select UC-160 and UC-120 ice machines. It is designed to use R290 refrigerant and swaps out quickly with the compressor in your unit to minimize downtime. This item includes starter components.
