Avantco Ice 19496842 Ice Machine Water Inlet Pipe Assembly

Item #19496842

Technical Data

Type	Drain Parts
------	-------------

Features

- Connects the ice machine to the water filter
- Replaces the original drain pipe that came with the ice machine

Notes & Details

The Avantco Ice Machines 19496842 ice machine water inlet pipe assembly serves as a direct replacement for the one that comes with select Avantco ice machines. It is designed to connect the ice machine to the water filter. If this part is no longer working effectively, be sure to swap it out with an operational one.
