Item #19497017

Technical Data

Type

Compressors
Mechanical Parts

Features

- Direct replacement for original part
- Compatible with MC-420-22-FA and MC-420-22-HA ice machines
- Uses R-290 refrigerant
- Includes starter components

Notes & Details

This Avantco Ice 19497017 compressor is a perfect replacement for the one that came standard on MC-420-22-FA and MC-420-22-HA series ice machines. A damaged compressor can prevent your unit from operating to specification, which in turn may lead to premature failure in other refrigeration system components. Be sure to inspect the compressor regularly and replace if needed. This item includes starter components.
