Gasket Type	Lid Gaskets
Type	Gaskets

Features

- Replaces a worn out or damaged gasket
- Compatible with Avantco BIN23022 ice bins
- Seals in cold air, locks out warm air
- Ensures maximum energy efficiency

Notes & Details

This Avantco 194GSKT96514 door gasket serves as a direct replacement for a worn out or broken one on Avantco Ice BIN23022 ice bins. Your ice bin's gasket is key to maintaining maximum efficiency and a low run cost, forming a tight seal that locks in cold air and keeps hot air out. If you find that your gasket is torn, be sure to replace it promptly.
