Notes & Details

Make food preparation as convenient as possible with the Avantco 27" worktop refrigerator. With a spacious stainless steel worktop surface for slicing, dicing, assembling, mixing, and other food prep tasks, the unit features a 3 1/2" backsplash for wall protection and a refrigerated storage space below. It is readily accessible through the door, which opens up to a shelf to help you organize your ingredients and best utilize the spacious interior. Plus, because it accommodates up to 66.14 lb., the included PVC-coated wire shelf is well equipped for holding heavy bulk ingredients, from fresh produce to sauces, glazes, and other specialty condiments and garnishes.

This unit is designed for outstanding durability to ensure that it withstands busy kitchen environments with ease. It features a 430 type stainless steel exterior, which provides both strength and a smooth, sleek appearance. The painted aluminum interior with a 304 type stainless steel floor also offers the durability necessary for heavy, regular use. It comes with 4 reliable casters, 2 of which are braking casters, for easy mobility around your establishment.

This worktop refrigerator ensures optimal performance by operating with a 1/4 hp refrigeration system that circulates R-290 refrigerant to maintain temperatures from 30 to 40 degrees Fahrenheit. R-290 refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3. The foamed-in-place polyurethane insulation helps provide structural rigidity and maintain internal temperatures.

Operation of the refrigerator is easy, thanks to a variety of special features. Monitor temperatures by consulting the interior wall-mounted thermometer and use the auto-defrost feature on the pre-programmed digital controller to keep the refrigerator in excellent shape. Take advantage of the included casters and roll the unit aside to thoroughly clean the area as needed. This worktop refrigerator requires a 115V electrical connection for operation and comes with a 7' power cord.
