Notes & Details

Maximize the potential of your Avantco reach-in refrigerator or freezer with this Avantco 16 pan end-load sheet / bun pan rack! Capable of holding 16 sheet pans full of product, this rack makes an excellent addition to the refrigerated or frozen storage areas in your bakery, restaurant, or catering kitchen.

Thanks to its durable aluminum construction with 1" extruded tube frames, this rack is built to last. It features 3" of space between each extruded aluminum pan slide to allow for sufficient airflow. To provide you with the best possible savings on shipping costs, this unit ships unassembled.
