Qty: _____ Date: _____ Approval: _____

Avantco 48" Stainless Steel Refrigerated Salad Bar / Cold Food Table with Sneeze Guard, Pan Cover, and Tray Slide

Item #178SSCFT48K

Technical Data

Width	47 Inches
Depth	29 1/2 Inches
Height	54 3/4 Inches
Power Cord Length	98 Inches
Interior Width	43 Inches
Interior Depth	19 7/8 Inches
Height Style	Standard Height
Interior Height	25 3/4 Inches
Amps	4.9 Amps
Phase	1 Phase

Features

- Includes sneeze guard canopy to protect food from contamination
- Durable stainless steel construction
- Sturdy plastic pan cover prevents product contamination and increases energy efficiency
- Digital control with auto defrost
- Uses R-290 refrigerant; 115V; 1/4 hp
- Note: only the refrigerated salad bar/cold food table holds the ETL certification

Certifications

5-15P

ETL Listed

Technical Data

Voltage	115 Volts
Wattage	504 Watts
Capacity	14 cu. ft.
Casters	With Casters
Color	Silver
Features	With Sneeze Guard
Full Size Food Pan Capacity	3 Pans
Horsepower	1/4 hp
Material	Stainless Steel
Plug Type	NEMA 5-15P
Refrigerant Type	R-290
Shape	Rectangle
Starting Amps	14.7 Amps
Starting Wattage	1512 Watts
Style	Refrigerated Standard Height
Temperature Range	33 - 40 Degrees F
Type	Food Tables Salad Bars

Notes & Details

Create a convenient cold food serving area with this Avantco 48" stainless steel refrigerated salad bar / cold food table with sneeze guard, pan cover, and tray slide! It's a sleek addition to any buffet, cafeteria, or other front-of-house area. The included clear pan covers provide product visibility while enclosing the top to maintain proper, food safe temperatures.

This salad bar / cold food table kit also includes a canopy-style sneeze guard to protect the food from contamination, and a tray slide to hold trays or pans. The construction of this unit is designed with commercial use in mind. It features a 430 type stainless steel exterior and 304 type stainless steel interior, which are fortified with foamed-in-place polyurethane insulation. The insulation also helps to promote proper temperature retention. The unit can accommodate up to (9) 1/3 size or (18) 1/6 size 8" deep food pans (sold separately). These are great for holding common sandwich or salad toppings, from eggs and cheese to green pepper or ham. (2) 20 13/16" x 17 1/8" plastic-coated steel shelves are included and each accommodate up to 90 lb. of weight, helping to organize your assorted supplies in the refrigerated cabinet. The cabinet is easily accessed by a full-length stainless steel handle on each door.

High-quality performance is made possible by the unit's 1/4 hp refrigeration system, which maintains temperatures between 33 and 40 degrees Fahrenheit. It does this by circulating R-290 refrigerant. This specialized refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3.

For operation, this table requires a 115V electrical connection.

⚠ WARNING: This product can expose you to chemicals including di(2-ethylhexyl)phthalate (DEHP), which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.p65warnings.ca.gov.
