|---------------------------|--------------------|
| Width                     | 72 3/4 Inches      |
| Depth                     | 24 7/16 Inches     |
| Height                    | 35 5/8 Inches      |
| Power Cord Length         | 108 Inches         |
| Interior Width            | 60 1/8 Inches      |
| Left Door Opening Width   | 17 13/16 Inches    |
| Middle Door Opening Width | 17 13/16 Inches    |
| Packaging Width           | 75 1/4 Inches      |
| Right Door Opening Width  | 17 13/16 Inches    |
| Shelf Width               | 19 - 20 1/2 Inches |

### Features

- 4 shelves included for optional bottle and can storage for increased versatility
- Digital controls for easy-to-read temperature display
- LED interior lighting
- Includes (4) "D" system keg couplers
- 115V; 3"/7 hp; R-290 refrigerant

### Certifications

5-15P

ETL Listed

| Top Capacity             | 353 lb.                                                                                               |
| Type                     | Kegerators / Beer Dispensers                                                                          |

## Plan View

## Notes & Details

Whether you operate a pub, banquet hall, catering service, or facilitate other special events, this Avantco UDD-72-HC beer dispenser is an excellent way to offer crisp, refreshing draft beer to your guests without investing in a complex built-in tap system! This unit features 2 double tap towers with a 10 1/4" faucet height that allows you to easily fill pint glasses and pitchers with local microbrews, international macrobrews, and everything in between. It holds (3) 1/2 kegs so you can stock up on one brew or offer customers a selection to choose from, and it even comes with 4 shelves for optional bottle or can storage while concealing the product behind 3 solid doors. The doors themselves are not only self-closing to prevent potential energy loss, but also lock to prevent theft during off hours. This unit is equipped with knockout plugs to install external CO2 lines.

Unlike many competitive beer dispensers, this model ships with 4 couplers. It features a black coated steel exterior and a 304 type stainless steel interior that is both durable and easy to clean, while a built-in drip tray further expedites end-of-day cleaning. It has a 3/7 hp refrigeration system that circulates R-290 hydrocarbon refrigerant. R-290 refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3. A 115V electrical connection is required for operation.

**⚠ WARNING:** This product can expose you to chemicals including lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to [www.p65warnings.ca.gov](http://www.p65warnings.ca.gov).
