Notes & Details

Showcase everything from cakes and pies to eclairs and flan in this Avantco BCF-72-HC 70 7/8" square glass black refrigerated bakery display case! Perfect for bakeries, cafes, coffee shops, and diners, the unit includes 6 glass shelves to help display and organize product. Additionally, it comes ready with price tag holders! Each shelf holds up to 44 lb. of weight.

Designed with double anti-fogging glass panels on 4 sides, the case provides maximum product visibility, tempting customers with decadent desserts. The glass doors slide open for quick and easy access without impeding foot traffic behind the case. The rest of the exterior is black, so you can be sure that it draws attention to the treats on display. Plus, LED lighting is built-in, illuminating product for a bright, enticing display. Thanks to its rear sliding glass doors, this unit makes it easy to load and unload product without blocking walking areas. This bakery case ensures optimal performance by operating with a 1/2 hp refrigeration system that circulates R-290 hydrocarbon refrigerant to maintain temperatures from 33 to 40 degrees Fahrenheit. R-290 refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3.

The digital temperature controller ensures quick temperature readability, while a manual defrost function allows for easy maintenance. Plus, for optimal temperature retention, the case features foamed-in-place polyurethane insulation that protects the integrity of your decadent desserts. This unit includes a set of 2" casters to make it easy to move for cleaning and service. A 110V electrical connection is required for operation.
