## Plan View

## Notes & Details

Display your grab-and-go items in style while keeping them chilled with this Avantco VOA-48-B 47 3/16" black extra deep vertical open air merchandiser. Perfect for convenience stores, grocery marts, and cafes, this vertical merchandiser is designed to display! Whether you are selling cold, bottled drinks or pre-packaged grab-and-go snacks, this merchandiser gives you the opportunity to let your products sell themselves. Additionally, with its extra deep design, you have more space than ever before to make sure your customers have the best variety of options!

This merchandiser features bright, cool LED lighting to show off your products at their best to draw attention. For outstanding visibility and appearance, this sleek black merchandiser features glass partial sides and comes with 4 steel shelves so you can organize and load your merchandiser with confidence. Each shelf also comes ready with a price tag strip. To help save energy during off hours, this model comes with a night curtain cover. Plus, a set of casters provides the unit with convenient mobility. When it comes time for cleaning or maintenance, simply roll the unit away from the wall!

This unit operates using a 1 1/4 hp bottom compressor and R-290 refrigerant. This specialized refrigerant has an ozone depletion potential (ODP) of 0 and a global warming potential (GWP) of 3, making it an environmentally responsible choice for your business. It has digital controls to make it easy to keep an eye on the interior temperature. This unit comes with a 7 3/8' long power cord and requires a 115V electrical connection for operation.
