Notes & Details

Easily boost impulse sales at your convenience store or coffee shop with this Avantco CFM2LB customizable white countertop display freezer! Perfect for showcasing a variety of frozen treats and novelties, this unit is a great option for facilities with limited space. Its convenient, countertop design makes it versatile and sure to fit into small spaces where large, floor-sized units can't, and as a result, you'll be able to optimize your merchandising space for greater overall efficiency. In addition, the sleek, white powder-coated steel exterior with top lit graphic makes the unit both visually attractive, drawing customers to your inventory, and physically durable, ensuring outstanding longevity. It can even be used in bars to display your finest liquors! It even comes with a customizable sign panel so you can brand your merchandiser with your logo or another graphic of your choice. To see the full selection of graphic options, click on the "Customize & Add to Cart" button above!

This merchandiser features a 1/2 hp compressor that runs on R-290 refrigerant. Thanks to the freezer's triple pane glass swing door, this unit maintains interior temperatures of -13 to 5 degrees Fahrenheit. Plus, the door is self-closing, which ensures that it's securely shut when not in use. User-friendly electronic controls make operation easy and efficient!

The unit houses 3 epoxy-coated steel shelves designed to efficiently display your products. With bright and long-lasting 11 13/16" long, 120V LED lighting, the freezer even illuminates the interior, making items easy to find. This unit requires a 115V electrical connection for operation.
