Notes & Details

Keep chilled beverages on hand at all times with this AvaValley BRC-52-SZ 52-can single temperature slim full glass door beverage cooler! Featuring a single-zone temperature range, this beverage cooler is the perfect way to keep your drinks chilled and ready to serve. This fridge boasts a temperature range from 34 to 50 degrees Fahrenheit and features a full glass door that displays your beverages for customers to see as well as 4 adjustable wire shelves for a capacity of up to 52 cans. It's made with a digital temperature display and touch-temperature control panel so that your items are always perfectly chilled. This versatile chilled storage also features automatic defrost and blue LED lighting that highlights your products while providing a sleek, sophisticated look.

This slim beverage cooler is designed to be installed as either a freestanding or built-in unit. For added security, a door lock is included to keep the contents of your refrigerator safe. It also features a fully finished black cabinet with durable stainless steel front grill and handle for long-lasting use. With this AvaValley beverage cooler, your beverages will always be ready for service!
