

BACKYARD PRO

Backyard Pro Wind Guard for 48" LPG48 Grills

#554LPG48WG

Technical Data

Height	11 1/2 Inches
Type	Wind Guards

Features

- For use with Backyard Pro 48" LPG48 liquid propane grills (sold separately)
- Durable stainless steel construction
- Blocks wind to ensure even cooking

Notes & Details

Add this Backyard Pro wind guard to your 48" LPG48 liquid propane grill (sold separately) to protect your food from wind and airborne contaminants. This guard easily attaches onto your unit and makes it easier to cook outdoors on a breezy day. Plus, by blocking the wind, it ensures even cooking and reduced heat loss. Complete with a durable stainless steel construction, this guard is built to last.
