## Notes & Details

Take your culinary creations to a whole new level with the Backyard Pro 36" stainless steel liquid propane outdoor grill with griddle! When the weather is warm and your patrons are hungry, nothing is more satisfying than getting outside and grilling up your signature meats, kebabs, and vegetables for them to enjoy! With just a 36" x 23" footprint, this grill fits comfortably on any deck or patio, while still leaving plenty of room for a bar, outdoor seating area, or fire pit. Thanks to the durable type 304 stainless steel construction, this grill is capable of withstanding the wear and tear of an outdoor environment.

The 2 spacious 17" x 21" stainless steel cooking grates provide an impressive 711 sq. in. of cooking surface to grill burgers, corn on the cob, or pork chops. Featuring 5 independently controlled burners and 80,000 BTU in total, this grill brings the sizzling heat you need for searing and cooking. For added convenience, this unit provides a left- or right-mountable propane holder and regulator to keep your propane tank safely off the ground. It also comes with a large removable grease tray to catch excess drips. The included casters ensure hassle-free mobility across cobblestones or pavement. Built with integrity in mind, this Backyard Pro grill offers you a durable, heavy-duty grilling solution for country clubs, resorts, hotels, and caterers!

Thanks to the included griddle plate attachment, you can convert your grill into a flat top grill! This griddle plate allows you to modify your grill top by providing a flat cooking surface to make pancakes, burgers, eggs, and other dishes. It is constructed of durable, 1/2" thick cold rolled steel. Plus, it features a full-width grease well for easy cleaning.
