Installation Type	Mobile
Material	Stainless Steel
Pizza Size	14 Inches
Power Type	Wood-Burning
Type	Outdoor Pizza Ovens

Notes & Details

Take your culinary creations to a whole new level with the Backyard Pro 38 1/2" stainless steel wood-fired outdoor pizza oven with stand! Your guests will be delighted by the delicious signature pizzas that you can create and produce with ease. Designed with a compact 38 1/2" x 28 3/4" footprint, this unit fits comfortably on any deck or patio, while still leaving plenty of room for a bar, outdoor seating area, or fire pit. Thanks to the durable 304 stainless steel construction, this oven is capable of reliably withstanding the wear and tear of an outdoor environment.

The spacious 29 1/2" x 25 3/16" fire brick deck provides an impressive 745 sq. in. of cooking surface to cook up to two large 14" pizzas at once. The authentic wood-fired fueling results in a cook time of only 3-5 minutes, allowing you to offer customers delectable results with an ideal turnaround time. While the pizzas are baking, you can easily adjust airflow using the butterfly valve on the flue and monitor the internal temperature with the convenient built-in thermometer. An accessory kit comes standard with this unit and includes a pizza peel, pizza cutter, and ash broom.

For convenient access to the oven, this unit is elevated on a sturdy stainless steel stand complete with rolling casters. Handles are built into either side of the stand to allow for a firm grip throughout transport. Additionally, accessory holders are placed throughout the stand's construction to keep tools close at hand as you cook.

This unit is wood-fired with a dry hardwood, such as oak and beech, to bring the unique flavor profile and visual appeal of a live flame to your establishment. To keep your oven protected, the weatherproof cover (sold separately) can be placed over the unit in inclement weather and throughout the off-season. This Backyard Pro grill offers you a durable, heavy-duty grilling solution for country clubs, resorts, hotels, caterers, and restaurants.
